A groundbreaking ceremony to mark the beginning of the Vista Fire District Firehouse construction project will be held Saturday, July 18, 2009 at 12:00 p.m. at the Vista Fire House, 377 Smith Ridge Road – Route 123, South Salem, NY 10590.

Chief Gary Lawson will be the master of ceremonies for this event. The Officers and Members of the Vista Fire Department and other invited guest will be in attendance. Attendance is by invitation only. The ceremony will be open to press coverage. Refreshments for invited guests will follow the ceremony.

Media interested in covering the event must contact the Vista Fire District's Point of Contact (POC) at: 203-856-6121 or vfdcommish@aol.com, by no later than Thursday, July 16, 2009 at 3 p.m.

The Vista Firehouse has not been upgraded since 1974. This project will last approximately 14 months and will enhance our overall operations of the fire department and completely modernize our facility. We would like to thank our residents for their support of the project and others who have been an integral part of moving this project forward so this ceremony is to celebrate the start of the construction project which will greatly improve our facility and which in turn will allow us to better serve our community.
